MANAGEMENT INFORMATION CIRCULAR
(Containing information as at **November 7, 2022**, except as indicated otherwise)

SOLICITATION OF PROXIES

Xali Gold Corp. (“**Xali Gold**” or “**Company**”) is providing this information circular (the “**Information Circular**”) in connection with management’s solicitation of proxies for use at the annual general meeting of the Company (the “**Meeting**”) (and any adjournment thereof) to be held on **Wednesday, December 14, 2022**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting (“**Notice of Meeting**”). Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included.

The solicitation of proxies (in the accompanying form of proxy (the “**Proxy**”) will be primarily by mail, but Proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares in the capital of the Company (“**Common Shares**”) held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

The Company has given notice of the Meeting in accordance with NI 54-101, pursuant to which it has sent the Notice of Meeting, Proxy and a financial statement request form directly to its registered shareholders (“**Registered Shareholders**”) and its beneficial shareholders (“**Beneficial Shareholders**”).

APPOINTMENT OF PROXYHOLDERS

The individuals named (“**Management Nominees**”) in the Proxy are directors and/or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by striking out the names of those persons named in the Proxy and inserting the desired person’s name in the blank space provided in the Proxy or by completing another Proxy. A Proxy will not be valid unless the completed form of proxy is received by Computershare Investor Services Inc. (“Computershare” or the “Transfer Agent”), Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or any adjournment thereof. Proxies delivered after that time will not be accepted.**

REVOCAILITY OF PROXIES

A Registered Shareholder of Common Shares who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing, or, where the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the business office of the Company, at Suite 801 – 1112 West Pender Street, Vancouver, British Columbia, V6E 2S1, at any time up to and including the last business day preceding the day of the Meeting on the day of the Meeting or if adjourned, any reconvening thereof, or in any other manner provided by law. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

The Common Shares represented by a properly executed Proxy in favour of Management’s Nominees in the Proxy will be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken and where a choice with respect to any matter to be acted upon has been specified in the Proxy, be voted in accordance with the specification made in such Proxy. **ON A POLL SUCH COMMON SHARES**

WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR FOR WHICH BOTH CHOICES HAVE BEEN SPECIFIED, BY THE REGISTERED SHAREHOLDER.

The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors, any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting but, if any amendment, variation or other matter properly comes before the Meeting, each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by mail or by hand to the Proxy Dept., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to the toll-free number indicated in the Proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the holder's account number and the Proxy control number;
- (c) using the Internet via the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number; or
- (d) using a Smartphone, scan the QR codes on the Proxy,

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular, collectively, as "Beneficial Shareholders") should note that only Proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS Inc. (the registration name for CDS Clearing and Depository Services Inc. and which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person in accordance with the procedures outlined in this section.

Applicable regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to a

Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares its own machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders to return those forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or by telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. That voting instruction form must be returned to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or by telephone), well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.**

This Information Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders who opted to receive one under Notice and Access. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**NOBOs**”). Subject to the provision of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of Proxy-related materials directly (not via Broadridge) to such NOBOs.

Meeting materials sent to Beneficial Shareholders who have not waived their right to receive Meeting materials are accompanied by a request for a voting instruction form. This form is provided instead of a Proxy. By returning the voting instruction form in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Voting instruction forms, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the voting instruction form.

Management of the Company does not intend to pay for intermediaries to forward to OBOs (who have not otherwise waived their right to receive proxy-related materials) under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. Accordingly, an OBO will not receive the materials unless the OBO's intermediary assumes the costs of delivery.

The Company is sending proxy-related meeting materials to registered shareholders and Beneficial Shareholders using the Notice-and-Access procedure described in NI 54-101 and National Instrument 51-102 *Continuous Disclosure Obligations* (“**NI 51-102**”). The Company will not use procedures known as “stratification” in relation to its use of the Notice-and-Access provisions in relation to the Meeting. Stratification occurs when a reporting issuer using Notice-and-Access provides a paper copy of the relevant information circular to some, but not all, shareholders with the notice package in relation to the relevant meeting.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE “REQUEST FOR VOTING INSTRUCTIONS” THAT RELATES TO THIS INFORMATION CIRCULAR.

RECORD DATE AND VOTING SECURITIES

The Company has set the close of business on **Friday, November 4, 2022**, as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only the Registered Shareholders are entitled to

receive notice of and to vote at the Meeting. Beneficial Shareholders receive notice and are entitled to vote by virtue of the provisions of NI 54-101.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders will have one vote, and on a poll every Shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in that Shareholder's name on the list of Shareholders as at the Record Date. Shareholders represented by proxy holders are not entitled to vote on a show of hands.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares, of which 139,105,311 were issued and outstanding as at the record date of November 4, 2022. Persons who are Registered Shareholders at the close of business on **Friday, November 4, 2022**, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Common Share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, there is no person or corporation that beneficially owns, directly or indirectly, or exercises control or direction over Common Shares carrying 10% or more of the voting rights attached to any class of voting securities of the Company.

For information concerning the Company's incorporation particulars, corporate structure, business history and description, and projects, please refer to the Company's public filings available both on the Company's profile at www.sedar.com ("**SEDAR**") and on the Company's website at www.xaligold.com.

FIXING THE NUMBER OF DIRECTORS

The persons named in the enclosed Proxy intend to vote in favour of fixing the number of directors at five (5). The board of directors (the "**Board**") proposes that the number of directors be fixed at five (5). Shareholders will, therefore, be asked to approve an ordinary resolution that the number of directors elected be fixed at five (5).

ELECTION OF DIRECTORS

The term of office of each of the current directors expires at the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia), each director elected will hold office until the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Unless holders provide other instructions, the enclosed Proxy will be voted for the nominees listed below, all of whom are presently members of the Board of Directors. Management does not expect that any of the nominees will be unable to serve as a director. If before the Meeting any vacancies occur in the slate of nominees listed below, the person named in the Proxy will exercise his or her discretionary authority to vote the Common Shares represented by the Proxy for the election of any other person or persons as directors.

The following table and notes include the names of each person proposed to be nominated by management for election as a director (a "**proposed director**"), the province or state and country in which he or she is ordinarily resident, all offices of the Company now held by him or her, his or her principal occupation, the period of time for which he or she has been a director of the Company, and the number of Common Shares beneficially owned by him or her, directly or indirectly, or over which he or she exercises control or direction, as at the date hereof.

2.4 Stock Option Plans and Other Incentive Plans

The Company's 2015 stock option plan (the "Plan") was adopted in August 17, 2015 and ratified and approved by shareholders at the Company's last annual general meeting held on December 14, 2021.

The Plan is a "rolling" stock option plan, and the purpose is to allow the Company to grant options to Directors, Employees and Consultants, as an incentive to dedicate their efforts to advance the success of the Company and its subsidiaries.

In accordance with TSX Venture Exchange (the "TSX-V") Policy 4.4 *Security Based Compensation*, the Company plans to adopt a new form of equity compensation plan, that includes the grant of stock options, restricted share units (RSUs), deferred share units (DSUs) and performance share units. The current directors and officers of the Company will be eligible to receive compensation under the Company's Omnibus Plan (as defined herein). For additional details regarding the terms of the Omnibus Plan, see "Particulars of Matters to be Acted Upon -Adoption of Omnibus Equity Incentive Plan".

2.5 Employment, Consulting and Management Agreements

The Company and its subsidiaries have no employment contracts with any NEOs, any contract, agreement, plan or arrangement that provides for payments to the NEOs at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation or a change in the NEOs' responsibilities, except as follows:

Pursuant to the RRI Agreement made as of April 1, 2018, between the Company and Ridley Rocks Inc. ("RRI", a company in respect of which Ms. Joanne Freeze, the Company's President and CEO, is the principal), the Company has agreed to pay RRI a monthly retainer of \$4,000 for 20% of her time and a daily fee for services rendered by RRI

to the Company for time that exceeds the amount of time covered by the retainer. The RRI Agreement also contains a provision for the potential payment of an annual bonus (the “**Target Bonus**”) to be determined by the Company’s Compensation Committee. The Target Bonus has initially been set at the amount of \$75,000. Both the Target Bonus and the daily fee are subject to adjustment on an annual basis. On a "change of control" of the Company, at any time to the date that is sixty (60) days following the date of the change of control, either the Company or RRI may terminate the RRI Agreement, in which case the Company or the Surviving Corporation will pay to Consultant a fee equal to \$500,000, together with all applicable taxes including GST on such amounts (collectively, the "**Control Fee**"). In addition, the RRI Agreement provides for a Termination payment of \$200,000 on termination of the consulting services, by the Company, without cause. Any Termination payment would be deducted from the Change in Control payment.

Pursuant to a consulting services agreement (the “**Lotz CPA Agreement**”) made as of October 1, 2018, between the Company and Lotz CPA Inc. (“**Lotz CPA**”), a company owned by Mr. Mark Lotz, the Company agreed to retain Mr. Lotz to provide financial consulting & Chief Financial Officer services at a fee of \$28,500 per annum. In the event the Company enters into a definitive agreement providing for a “change of control” (as defined in the Lotz CPA Agreement) or a change of control of the Company occurs, Lotz CPA has the right under the Lotz CPA Agreement at any time to the date that is sixty (60) days following the date of the change of control, to terminate the Lotz CPA Agreement, whereupon the Company is required to pay to Lotz CPA a fee of \$28,500. In addition, the Lotz CPA Agreement provides for Severance payment of \$28,500 on termination of the consulting services, by the Company, without cause. Any Severance payment would be deducted from the Change in Control payment. Effective January 1, 2021 the annual fee was increased to \$29,925 per annum.

2.6 Oversight and Description of Named Executive Officer and Director Compensation

The Company does not have a formal executive compensation program. The Company’s Named Executive Officer and Director Compensation is administered by the Board with recommendations made to it by the Compensation Committee. The Board has primary responsibility for approval with respect to the appointment and remuneration of Named Executive Officers of the Company and the remuneration of the Board. The Board also evaluates the performance of the Company’s senior executive officers and reviews the design and competitiveness of the Company’s compensation plans.

The executive compensation program is designed to encourage, compensate and reward employees on the basis of individual and corporate performance, both in the short and the long term. Base salaries are competitive with corporations of a comparable size and stage of development within the mineral exploration industry, thereby enabling the Company to compete for and retain executives critical to the Company’s long term success. Incentive compensation is directly tied to corporate and individual performance. Share ownership opportunities are provided to align the interests of executive officers with the longer term interests of shareholders. Compensation for each of the Named Executive Officers consists of a base fee, along with annual incentive compensation in the form of a performance based bonus, and a longer term incentive in the form of stock options.

Base Fee

The Board approves ranges for base salaries/fees to be paid to the Chief Executive Officer, Chief Financial Officer and Corporate Secretary of the Company based on reviews of market data from peer companies in the mineral exploration industry. In selecting peer group companies, the Board primarily looks for public companies that are comparable in terms of business and size. The level of base salary for each employee within a specified range is determined by the level of past performance, as well as by the level of responsibility and the importance of the position to the Company.

The Board approves the base fees to be paid to the Chief Executive Officer, Chief Financial Officer and Corporate Secretary.

Annual Bonus

Senior managers are eligible for annual incentive awards. Corporate performance, as assessed by the Board, determines the aggregate amount of bonus to be paid by the Company to all eligible senior managers in respect of a fiscal year.

The aggregate amount of bonus to be paid will vary with the degree to which targeted corporate performance was achieved for the year. The individual performance factor allows the Company effectively to recognize and reward those individuals whose efforts have assisted the Company to attain its corporate performance objective.

The Board approves the bonuses to be paid to the Chief Executive Officer, the Chief Financial Officer and the Corporate Secretary.

Stock Options

The Plan is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Company to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance. The Board considers stock option grants when reviewing executive officer compensation packages as a whole.

The Board has sole discretion to determine the key employees to whom it recommends that grants be made and to determine the terms and conditions of the options forming part of such grants. The Board approves ranges of stock option grants for each level of executive officer. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position to the Company.

Directors

The Board of Directors determined that no Directors fees are to be paid until the Company has a minimum Market Value of \$75,000,000. This is reviewed annually and could be changed.

In addition, all directors are entitled to be reimbursed for reasonable travel expenses incurred with respect to their attendance at meetings of the Board of Directors and the Board Committees. In addition, each director is eligible to receive stock options pursuant to the Plan.

2.7 Pension Disclosure

The Company does not have any pension plans in place that provide for payments or benefits made to the NEOs or directors at, following, or in connection with retirement during the during the most recently completed financial fiscal year ended March 31, 2022.

PARTICULARS OF MATTERS TO BE ACTED UPON

ADOPTION OF OMNIBUS EQUITY INCENTIVE PLAN

Business

At the Meeting, shareholders of the Company will be asked to consider and, if deemed advisable, to approve with or without variation, an ordinary resolution (the “**Omnibus Plan Resolution**”) approving the Omnibus Equity Incentive Plan (the “**Omnibus Plan**”). A copy of the Omnibus Plan is available upon request from any shareholder that wishes to view it, and a copy will be available at the Meeting.

Summary of the Omnibus Plan

The Omnibus Plan allows the grant of stock options (“**Options**”), restricted share units (“**RSUs**”) and performance share units (“**PSUs**” and together with RSUs, “**Share Units**”) settled in common shares (or, at the election of the Company, their cash equivalent). In addition, under the Omnibus Plan, the Company is able to grant deferred share units (“**DSUs**”) to non-employee members of the Board and its designated affiliates. The Omnibus Plan is a “rolling up to 10%” plan within the meaning of TSX-V policy.

Administration

The Omnibus Plan will be administered by the Board. The Board will determine which directors, officers, eligible employees or consultants of the Company or its affiliates are eligible to receive awards under the Omnibus Plan. In addition, the Board will interpret the Omnibus Plan and may adopt, amend or rescind any administrative rules, regulations, procedures and guidelines relating to the Omnibus Plan as it deems appropriate, provided however, that the Company shall be required to obtain shareholder or disinterested shareholder approval, as applicable, for any amendments to the Omnibus Plan other than amendments: (i) of a “housekeeping” nature to clarify the meaning of an existing provision or correct any grammatical or typographical errors in the Omnibus Plan, or (ii) necessary to comply with applicable law or the requirements of the TSX-V.

Except as otherwise required by law, the Board may, from time to time, delegate powers conferred on the Board under the Omnibus Plan to such committee as the Board determines necessary from time to time). In such event, such committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board, and all decisions made, or actions taken, by the committee arising in connection with the administration of the Omnibus Plan within its authority are final, conclusive and binding.

Eligibility

All employees and directors of the Company or its designated affiliates are eligible to participate in the Omnibus Plan. In addition, subject to applicable laws, the Board may determine, in its discretion, which consultants are eligible to participate in the Omnibus Plan. However, PSUs may not be granted to non-employee directors of the Company or its designated affiliates and RSUs and PSUs may not be granted to consultants of the Company or its designated affiliates.

In addition, any participants under the Omnibus Plan who are “Investor Relations Service Providers” (as defined in the policies of the TSX-V) are not eligible to receive RSUs, PSUs or DSUs and may only receive Options.

Common Shares Subject to the Omnibus Plan and Limitation on Awards

The maximum number of common shares available for issuance pursuant to the Omnibus Plan and any other security-based compensation arrangement of the Company shall not exceed 10% of the issued and outstanding common shares from time to time.

The Omnibus Plan is also subject to the following limitations:

- (a) the aggregate number of common shares issuable to “Insiders” (as defined in the policies of the TSX-V) of the Company under the Omnibus Plan or any other security-based compensation arrangement of the Company shall not exceed 10% of the issued and outstanding common shares and the aggregate number of common shares issuable to Insiders of the Company under the Omnibus Plan or any other security-based compensation arrangement of the Company, within a one-year period, shall not exceed 10% of the issued and outstanding common shares as at the date any award is granted to any Insider of the Company (unless the Company has obtained disinterested shareholder approval in respect thereof);
- (b) the aggregate number of common shares issuable to any one participant under the Omnibus Plan or any other security-based compensation arrangement of the Company, within a one-year period, shall not at any time exceed 5% of the issued and outstanding common shares as at the date any award is granted to the participant (unless the Company has obtained disinterested shareholder approval in respect thereof);
- (c) the aggregate number of common shares issuable to any one consultant under the Omnibus Plan or any other security-based compensation arrangement of the Company, within a one-year period, shall not at any time exceed 2% of the issued and outstanding common shares as at the date any award is granted to the consultant; and
- (d) the aggregate number of common shares issuable to all persons retained to provide investor relations activities under the Omnibus Plan or any other security-based compensation arrangement of the Company, within one-year period, shall not at any time exceed 2% of the issued and outstanding common shares as at the date any award is granted to the persons retained to provide investor relations activities.

If for any reason common shares subject to issuance on the exercise of Options granted under the Omnibus Plan are not issued, for reasons including the termination, expiration or cancellation, such common shares will become available for additional grants under the Omnibus Plan. If any RSUs, PSUs or DSUs granted under the Omnibus Plan expire, terminate or are cancelled for any reason without being settled in the form of common shares issued from treasury, such common shares will become available for additional grants under the Omnibus Plan.

No Share Units may vest before the date that is one year following the date it is granted or issued, although vesting may be accelerated for a participant who dies or ceases to be an eligible participant in connection with a change of control, take over bid, RTO or similar transaction.

As permitted under TSX-V Policy 4.4, the Company has added a cashless exercise feature to its Omnibus Plan. The Company may have an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a participant to purchase common shares underlying the Options. The brokerage firm then sells a sufficient number of common shares to cover the exercise price of the Options in order to repay the loan made to the participant. The brokerage firm receives an equivalent number of common shares from the exercise of the Options and the participant then receives the balance of the common shares or the cash proceeds from the balance of such common shares.

Stock Options

The Board may grant Options to any participant under the Omnibus Plan at any time. The exercise price for Options will be determined by the Board, but may not be less than Discounted Market Price (as defined in TSX-V policies), and, in the event that the common shares are not listed and posted for traded on any stock exchange, the fair market value of the common shares as determined by the Board in its sole and absolute discretion (the “Market Value”) on the date the stock option is granted. Options must be exercised within a period fixed by the Board that may not exceed 10 years from the date of grant, except in a case where the expiry period falls during a blackout period, in which case the expiry period will be automatically extended until 10 business days after the end of the blackout period.

The Omnibus Plan also provides for earlier termination of Options on the occurrence of certain events, including but not limited to, termination of a participant’s employment.

Options granted to Investor Relations Service Providers must be vested in stages over a period of not less than 12 months with no more than 1/4 of the Options vesting in any three-month period.

Restricted Share Units

The Board may grant RSUs to any participant (other than consultants) under the Omnibus Plan at any time. The terms and conditions of grants of Share Units, including the quantity, type of award, award date, vesting conditions, applicable vesting period and other terms and conditions with respect to the award, as determined by the Board, will be set out in such participant’s RSU agreement. One RSU is equivalent to one common share.

An RSU account will be maintained for each participant and each notional grant of RSUs, as granted to such participant from time to time, will be credited to such participant’s account. RSUs that fail to vest with respect to a participant, or that are paid out to the participant are cancelled and will be removed from such participant’s account.

Upon the vesting and settlement of RSUs, Xali Gold is entitled to elect, at the Board’s sole discretion, to settle vested RSUs for their cash equivalent, common shares or a combination thereof. For purposes of determining the cash equivalent of RSUs on settlement, such calculation will be made on the settlement date based on the Market Value on the settlement date multiplied by the number of vested RSUs in the participant’s notional RSU account. For the purposes of determining the number of common shares from treasury to be issued and delivered to a participant upon settlement of RSUs, such calculation will be made on the settlement date based on the whole number of common shares equal to the whole number of vested RSUs then recorded in the participant’s notional RSU account. If an RSU would otherwise expire during a blackout period, the term of such RSU shall automatically be extended until 10 business days after the end of the blackout period, however, in all cases, RSUs shall expire and be settled by no later than December 31 of the third calendar year commencing after the date of award.

Performance Share Units

The Board may grant PSUs to any participant (other than non-employee directors and consultants) under the Omnibus Plan at any time. The terms and conditions of grants of PSUs, including the quantity, type of award, award date, vesting conditions, applicable vesting period and other terms and conditions with respect to the award, as determined by the Board, will be set out in such participant’s PSU agreement. PSUs are subject to the attainment of performance goals and may become vested PSUs based on a multiplier, which may be greater or less than 100%, subject to such percentage being no greater than 200%. A PSU account will be maintained for each participant and each notional grant to PSUs, as granted to such participant from time to time, will be credited to such participant’s account. PSUs that fail to vest with respect to a participant, or that are paid out to the participant are cancelled and will be removed from such participant’s account.

Upon the vesting and settlement of PSUs, Xali Gold is entitled to elect, in the Board’s sole discretion, to settle vested PSUs for their cash equivalent, common shares or a combination thereof. For purposes of determining the cash equivalent of PSUs on settlement, such calculation will be made on the settlement date based on the Market Value on the settlement date multiplied by the number of vested PSUs in the participant’s notional PSU account. For the purposes of determining the number of common shares from treasury to be issued and delivered to a participant upon settlement of PSUs, such calculation will be made on the settlement date based on the whole number of common shares equal to the whole number of vested PSUs then recorded in the participant’s notional PSU account. If a PSU

would otherwise expire during a blackout period, the term of such Share Unit shall automatically be extended until 10 business days after the end of the blackout period, however, in all cases, Share Units shall expire and be settled by no later than December 31 of the third calendar year commencing after the date of award.

If the performance goals in respect of the vesting of PSUs determined by the Board at the time of granting the award with respect to a fiscal year are not met during such fiscal year, the PSUs which were scheduled to vest at the end of such fiscal year shall expire. Performance goals may be based upon the achievement of corporate division, cluster or individual goals, and may be applied to performance relative to an index or comparator group, or on any other determined by the Board which may be measured over a specified period and may have a multiplier effect based on the level of achievement.

Deferred Share Units

The Board may grant DSUs to any DSU participant (being a non-employee director of Xali Gold) under the Omnibus Plan at any time.

One DSU is equivalent to one common share. Fractional DSUs are permitted under the Omnibus Plan. The number of DSUs granted at any particular time pursuant to the Omnibus Plan will be calculated by: (a) in the case of an elected amount by a DSU participant, dividing (i) the dollar amount of the elected amount by (ii) the Market Value of a common share on the applicable award date; or (b) in the case of a grant of DSUs, dividing (i) the dollar amount of such grant by (ii) the Market Value of a common share on the date of grant. Xali Gold shall maintain a notional account for each DSU participant.

All DSUs recorded in a participant's notional account will vest on the DSU termination date, being the day that the DSU participant ceases to be a director of Xali Gold for any reason.

Upon the settlement of DSUs, the number of common shares covered by the DSUs will be issued from treasury by Xali Gold as fully paid non-assessable common shares based on the whole number of common shares equal to the whole number of DSUs then recorded in the DSU participant's notional account (fractions of common shares will be settled in cash). If a DSU participant gives notice to Xali Gold of its election to receive cash pertaining to a DSU, Xali Gold, with the approval of the Board, may agree to pay an amount in cash equal to the aggregate Market Value of the common shares as at the DSU termination date to be issued in place of issuing to the DSU participant common shares under the DSU.

At the Meeting, shareholders of Xali Gold will be asked to pass a resolution in substantially the following form:

“IT IS RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The Omnibus Plan of Xali Gold and the reservation for issuance thereunder of up to 10% of the aggregate number of common shares of Xali Gold as are issued and outstanding from time to time, is confirmed and approved as the omnibus equity plan of Xali Gold and Xali Gold has the ability to grant stock options and other awards (RSUs, PSUs and DSUs) under the Omnibus Plan, as more particularly described in its accompanying information circular;
2. The Board is authorized to make such amendments to the Omnibus Plan from time to time, in accordance with the terms of the Omnibus Plan, as may be required by the applicable regulatory authorities, or as may be considered appropriate by the Board, in its sole discretion, provided always that such amendment be subject to the approval of the regulatory authorities, if applicable, and in certain cases, the approval of the shareholders; and
3. Any one officer or director of Xali Gold be, and is authorized and directed for and on behalf of Xali Gold, to finalize, sign, or deliver all documents, to enter into any agreements and to do and perform all acts and things as such individual, in his or her discretion, deem necessary or advisable in order to give effect to the intent of this resolution and the matters authorized hereby, including compliance with all securities laws and regulations and the rules and requirements of the TSX Venture Exchange, such determination to be conclusively evidenced by the finalizing signing or delivery of such document or agreement or the performing of such act or thing.”

In the absence of instructions to the contrary, the shares represented by proxy will be voted FOR the approval of the Omnibus Plan.

ANY OTHER MATTERS

Management of the Company is not aware of any other matter to come before the Meeting other than as set forth in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of Proxy to vote the shares represented thereby on such matter in accordance with their best judgement.

BY ORDER OF THE BOARD OF DIRECTORS

Signed "*Joanne Freeze*"

President, Chief Executive Officer and Director

SCHEDULE "A"

CORPORATE GOVERNANCE DISCLOSURE - XALI GOLD CORP.

NI 58-101 requires the Company to disclose information about its corporate governance practices on an annual basis. This disclosure must be made against the corporate governance guidelines contained in National Policy 58-201 *Corporate Governance Guidelines* (the "**Guidelines**").

The Company's board of directors (the "**Board**") has adopted certain corporate governance policies to reflect the Company's commitment to good corporate governance, and to comply with NI 58-101, Form 58-101F2 *Corporate Governance Disclosure*. The Board periodically reviews these policies and proposes modifications to the Board for consideration as appropriate. The Company considers good corporate governance to be central to the effective and efficient management and operation of the Company, and the Board is directly responsible for developing the Company's approach to corporate governance issues.

Board of Directors

NI 52-110 sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

The Board is currently composed of five persons. Applying the definition set out in NI 52-110, as at the date of this Information Circular, two of the five current members of the Board are independent. The members who are independent are Larry D. Kornze and George Elliott. Joanne C. Freeze is not independent by virtue of the fact that she is the Company's Chief Executive Officer and President, Mark Lotz is not independent by virtue of the fact that he is the Company's Chief Financial Officer and Matthew Melnyk is not independent by virtue of the fact that he is the Company's Director of Operations.

In addition to their positions on the Board, the following directors also serve as directors of the following reporting issuers or reporting issuer equivalent(s):

Other reporting issuers of which the Company's directors are also directors	
Name of Director	Names of Reporting Issuers
Joanne C. Freeze	Candente Copper Corp.
Larry D. Kornze	Dynasty Gold Corp., Goldex Resources Corporation, Thunder Mountain Inc., and Mesa Exploration Corp.
George Elliott	Candente Copper Corp, Urbana Corporation and Radar Capital
Mark Lotz	Specialty Liquid Transportation Corp., Handa Mining Corporation, Teal Valley Health Inc., PreveCeutical Medical Inc., Vodis Pharmaceuticals Inc., Voleo Trading Systems Inc., Fiorentina Minerals Inc., Ascent Industries Corp.
Matthew Melnyk	None

The independent directors do not have regularly scheduled meetings in the absence of the non-independent directors. On occasions where it is considered advisable, the Company's independent directors will and do hold meetings at which non-independent directors and members of management are not in attendance. Two of the current directors are independent, the Board does not believe it is presently necessary to have any formal structure or procedures in place to ensure that the Board can function independently of management and is of the view that the current Board structure is sufficient to facilitate open and candid discussion among independent directors. Board Mandate

The mandate of the Board is contained in the Company's Corporate Governance Policy and is as follows:

“The mandate of the Board is to oversee the management of the business and affairs of the Company. The Board shall have responsibility for the stewardship of the Company and shall assume responsibility for the following matters:

- the adoption of a strategic planning process;
- the identification of the principal risks to the business of the Company and the implementation of systems to manage such risks;
- appointing, training and monitoring senior management and planning for succession of senior management;
- establishing a communications policy for the Company; and
- ensuring the integrity of the Company’s internal control and management information systems.”

Orientation and Continuing Education

The Company does not currently have a formal orientation or continuing education process in place. New directors are furnished with appropriate documentation relating to the Company’s business activities and internal organization, and are encouraged to spend time with management and incumbent directors in order to familiarize themselves with the Company’s business and operations, as well as the role of the Board, its committees and its directors. Both new and incumbent directors are also encouraged to communicate with management, auditors, technical consultants and legal counsel to keep themselves current with industry trends and developments and changes in legislation. Management regularly provides corporate updates at scheduled meetings of the Board and passes along updates regarding legal and regulatory changes received from its legal and other professional advisors when such information is relevant to the Board. Going forward, the Company is arranging for an annual educational session to be provided to the Board by the Company’s legal counsel. The Company may also pay the reasonable costs of attendance by directors at continuing education courses and seminars with respect to corporate governance, directors’ duties and obligations and similar matters upon request. The Company’s directors are experienced corporate directors and all of them serve as directors of other public companies where they receive various degrees of additional formal and informal continuing education and are also kept apprised of issues relevant to publicly traded mineral exploration companies. Most of the Company’s directors are also members of professional associations through which they also receive relevant continuing education. If the growth of the Company’s operations and/or increased turnover of the Board warrants it, the Board would consider implementing further formal orientation and/or continuing education process.

Ethical Business Conduct

The Company adopted a Code of Ethics which was approved on November 10, 2011. The Company’s Code of Ethics affirms the Company’s commitment to uphold high moral and ethical principles and specifies the basic norms of behavior for those conducting business on its behalf. Most of the Company’s directors are also members of professional associations which have disciplinary and practice review boards and processes. While the Company’s business practices must be consistent with the business and social practices of the communities in which the Company operates, the Company believes that honesty and transparency is the essential standard of integrity in any locale of the Company’s business. Thus, though local customs may vary, the Company’s activities are to be based on honesty, integrity and respect. The Company’s Code of Ethics is posted on the Company’s profile on SEDAR and is posted on the Company’s website www.xaligold.com.

The Company adopted a Whistleblower Policy on June 28, 2010 which allows its directors, officers and employees who feel that a violation of the Code of Ethics has occurred, and/or who have concerns regarding financial statements disclosure issues, accounting, internal accounting controls or auditing matters, to report such violation or concerns on a confidential and anonymous basis. Such reporting can be made by email or telephone through a Compliance Hot Line, to lawyers independent of the Company, fluent in English and Spanish, and is available in Peru, Mexico, and Canada to all directors, officers and employees. All complaints are to be forwarded to the Chair of the Audit Committee for investigation and corrective and disciplinary action, if appropriate. The Whistleblower Policy and the procedures it establishes assist the Board in monitoring compliance with the Code of Ethics.

The Company’s Whistleblower Policy in both English and Spanish languages is available on the Company’s website www.xaligold.com.

The Company has not filed any material change reports since the beginning of its most recently completed financial year that pertains to any departures from the Code of Ethics by any director or executive officer of the Company.

In addition to the provisions of the Code of Ethics, the directors and officers of the Company are bound by the provisions of the Company's Articles and the *Business Corporations Act* (British Columbia), which contain detailed provisions as to how any conflicts of interests are to be dealt with. In particular, any director who has a material interest in a particular transaction is required to disclose such interest to the Company and to abstain from voting with respect to the approval of such transaction.

In addition, the Board has also adopted a Corporate Governance Policy and Corporate Disclosure Policy on June 28, 2010. The Corporate Governance Policy establishes the mandate of the Board and sets out various matters with respect to the corporate governance of the Company, including requirements with respect to the independence of Board members, matters relating to Board composition and Board Committees, employee and insider trading guidelines and accounting services approval. The Corporate Disclosure Policy is applicable to all employees and is intended to ensure that communications to the public about the Company are timely, factual and accurate and are broadly disseminated in accordance with applicable legal and regulatory requirements. Copies of the Corporate Governance Policy and Corporate Disclosure Policy are available on the Company's website at www.xaligold.com.

Board Committees

The Board has two committees: the Audit Committee and the Compensation and Governance Committee. The committees and their memberships are described below.

Audit Committee

The mandate of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to:

- oversee the process of selecting and appointing an auditor;
- oversee the conduct of the audit;
- identify and monitor the management of the principal risks that could impact the financial reporting of the Company;
- monitor the integrity of the Company's financial reporting process and system of internal controls regarding financial reporting and accounting compliance;
- ensure the independence of the Company's auditor in accordance with applicable standards and monitor the auditor's performance; and
- provide an avenue of communication between and amongst the Company's auditors, management and the Board.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and it has direct access to the Company's auditors and anyone in the Company that it deems necessary. The Audit Committee has the ability to retain, at the Company's expense, special legal, accounting or other consultants or experts it deems necessary in the performance of its duties. It is the Company's policy for the Audit Committee to have in-camera sessions with the Company's auditors during the meetings in which that auditors are involved.

As at the date of this Information Circular, the Audit Committee is composed of Mark Lotz, Larry D. Kornze, and George Elliott (Chair), all of whom are "financially literate" and two of whom are "independent" within the meaning of sections 1.4, 1.5 and 1.6 of NI 52-110 and applicable exchange rules and regulations as of this date.

Compensation and Governance Committee

The mandate of the Compensation and Governance Committee is to discharge the Board's responsibilities relating to compensation of the Company's executive officers. Among other things, the Compensation and Governance Committee has overall responsibility for recommending levels of executive compensation that are competitive and

motivating in order to attract, hold and inspire the chief executive officer, senior officers and other key employees and for recommending compensation for directors.

The Compensation and Governance Committee performs any other duties or responsibilities delegated to the Compensation and Governance Committee by the Board from time to time. For further information on the duties and responsibilities of the Compensation and Governance Committee, see “Executive Compensation – Compensation and Governance Committee” in this Information Circular.

As of the date of this Information Circular, the Compensation and Governance Committee members are George Elliott, Matthew Melnyk (Chair), and Mr. Larry D. Kornze, two of whom are independent directors.

Nomination of Directors

The Board does not have a nominating committee composed of independent directors. The CEO submits to the Board candidates to fill vacancies on the Board and the full Board then considers the proposed candidates. As the Board is comprised of a majority of independent directors, the Board is of the view that this is sufficient to ensure objectivity in the nomination process.

Assessment

While there is no formal process for assessing Board or its committees on an ongoing basis, the directors are free to discuss specific situations from time to time among themselves and/or with the President and CEO and, if need be, steps are taken to remedy the situation, which steps may include a request for resignation. Given the current structure and size of the Board, the Board believes that it is not necessary to adopt a more formal assessment process at this time and that the present system is sufficient.
