### **Xali Gold to Close First Tranche of Private Placement December 19, 2025**

Vancouver, British Columbia, December 17, 2025. Xali Gold Corp. (TSXV:XGC) ("Xali Gold" or the "Company") is pleased to announce that it plans to close the first tranche of the previously announced non-brokered private placement (the "Private Placement") on December 19<sup>th</sup>, 2025, raising approximately C\$1 Million. A second tranche of approximately C\$0.5 Million is planned to close on or about Tuesday, December 23<sup>rd</sup>, 2025.

Funds raised in the first tranche will cover the US\$500,000 payment due to Pan American Silver Corp. upon closing of the acquisition of the Pico Machay Property ("Pico Machay" or the "Property"), an advanced exploration stage project in Peru with a near-term production goal, as announced in the Company's [October 24<sup>th</sup>, 2025 news release](#).

The Private Placement is expected to generate gross proceeds of approximately C\$1,500,000 through the sale of 15,000,000 units (the "Units"). Closing of both the Private Placement and the acquisition of Pico Machay is subject to TSX Venture Exchange ("TSXV") approval.

"We are very pleased with the strong participation from Peruvian investors in this financing, alongside continued support from long-term shareholders and our management team," said Joanne Freeze, Xali Gold President and CEO. "Their involvement underscores the strength of our local expertise and relationships, and reinforces our commitment to advancing the Company's objectives in close partnership with stakeholders in Peru."

The Private Placement will be completed at a Unit price of C\$0.10 per Unit to raise gross proceeds of approximately C\$1,500,000. Each Unit will consist of one common share of the Company (a "Share") and one-half share purchase warrant (each whole being a "Warrant"). Each Warrant will be exercisable for one additional share of the Company (a "Warrant Share") for 18 months at a price of C\$0.20 per Warrant Share, subject to an Accelerated Expiry. If at any time after April 19<sup>th</sup>, 2026 (or such later date as may be four months from the closing of the Private Placement), the Company's common shares have a closing price on the TSXV at or above a price of C\$0.30 per share for a period of 10 consecutive trading days, the Company may give notice by news release that the expiration of the Warrants will be accelerated to 40 days from the date of providing such notice. Both the Shares and any Warrant Shares issued on exercise of the Warrants will be subject to a mandatory four month and one day hold period commencing the day of closing of the Private Placement.

Approximately 75% of the gross proceeds of the Private Placement will be allocated to the acquisition and exploration of Pico Machay, with the balance directed towards working capital and general corporate purposes.

Finder's fees of 6% in cash and 6% in non-transferrable finder warrants, may be paid on a portion of the Private Placement in accordance with the policies of the TSXV.

If aggregate subscriptions for Units under the Private Placement exceed the maximum number of Units to be sold, Xali Gold may, subject to TSXV approval, increase the size of the Private Placement or subscriptions will otherwise be accepted on a “first-come, first-served” basis.
